

**Commonwealth of Massachusetts
DEPARTMENT OF EDUCATION
School Building Assistance**

**Inventory of Existing School Space Under The Jurisdiction
Of The Local School Committee**

The information provided on this sheet will be used for priority ranking of capital school project applications for School Building Assistance. All complete applications submitted to the Department during a given fiscal year between July 1 and June 1 will be ranked for possible approval in the next following fiscal year. It is important to provide accurate information on all existing buildings housing school children so that we may calculate your rank correctly.

Complete one form for each school building currently in use or available for use as a schoolhouse. Please indicate which space is less than 7'6" headroom with an (*). Include a separate sheet for modular or lease spaces. Please provide a photo of the outside of your building.
